

2012 CCAC Concession Employment Opportunities

If you are interested in summer employment in the concession stands at the CCAC here's what you need to do:

There will be two open application dates. Initial interview will be held at these times so even if you've dropped off an application at the CCAC office, you need to attend one of these days.

Saturday, April 7, 8:30-10:00am

Or

Monday, April 9, 6:00-8:00pm

***Both dates are at the park office (center building as you drive in).
Applications will be taken rain or shine.***

To work in the concession stand you must be available Saturdays and Sundays April thru October. The stands are open evenings and weekends. Our weekend hours range from 7:30am to Midnight. It is food service so there is cleaning involved. If you don't know how to wash dishes, you will learn!
