

CCAC Fundraiser Brick Paver Order Form

The City-County Athletic Complex has initiated a fundraising program in order to make some major improvements to the park and the community. The CCAC will be selling brick pavers in order to purchase an electronic marquee at the park entrance. This marquee will enable the park to post all park events, including tournaments, league information, sign ups, cancelations and much more. Become part of the history of the CCAC by purchasing a commemorative brick paver today.

Each brick paver sold, will be lined along the sidewalks of the CCAC, for everyone to see your support. Brick Pavers are 4" x 8" , brown in color with black painted engraving. Each brick paver is \$50, which includes shipping & handling, engraving, placement and a certificate of support for your home. Each brick also comes with a life-time warranty

The "Paver Program" is available immediately by contacting the park office.
